

Scene, Female In One-sided 'Dialogue'

Where have you been? You were supposed to be here an hour ago. What have you been doing?

Answer me. What have you been doing?

I tried to call you and you didn't answer? What could have been so important that you can't answer your phone to me?

Do you think I'm stupid?

I know what you've been doing. I saw you get on the bus with her - that girl.

Give me your phone. I want to see what you've been up to.

Give it to me!
