

Adapted Scene from
'Candy' by Neil Armfield & Luke Davies

CANDY: You slimy cunt!

DAN: What?

CANDY: What do you fucking reckon?

DAN: I just had a quick hit, it was nothing.

CANDY: Where?

DAN: In the park, where I met Ang.

CANDY: Did he do it with you?

DAN: No, of course not! He left as soon as we did the deal.

CANDY: Yeah, coz he's decent enough to go back to his girlfriend, like you should.

DAN: Oh Candy, he sold me the dope! Why would he want to have a hit in the public toilet?

CANDY: (slaps him) Well, why the fuck would you?

DAN: I admit it, it was dumb, OK? I'm sorry.

CANDY: Dickhead.

DAN: What's your fucking problem?

CANDY: You are my problem, you're a fucking waste of space.

DAN: Are you getting your period or something?

CANDY: No, Dan. I hardly get my period anymore because my body's all fucked up because of this nightmare you've led me into.

DAN: Oh right, like I held a gun to your head, did I? Eh? Held you down, hit you up, did I?

CANDY: Fuck you!

DAN: Fuck you too, Candy!
